Twenty-fifth Sunday in Ordinary Time

In today's Gospel, Jesus continues to turn society's idea of greatness upside down. He teaches that greatness lies in being a servant to others; a good steward of our relationships. We want success, but Jesus defines success differently than we do. Jesus redefines our notion of greatness and success. How do we define success? Is our notion of success consistent with the teachings of Jesus Christ?

If your child Kindergarten—5th grade would like to sing in the youth choir, please contact Diana Bednarz (806)777-9088.
