April 2, 2020 Dear brothers who art in prison, Holy be your lives, and Blessed are you in Christ. For we Catholics and most Christian religions; Easter Season is the most sacred time of the year. It is the real reason why we are believers. I am writing you to let you know the really good news. Now if I told you I have good news; that I have obtained a pardon for every one of you, and I will be sending you a bus to pick you up tomorrow to take you for a wonderful trip to Hawaii where you and your family will live the rest of your lives, in peace with all your needs provided for. You would be so happy you could not stand it. There would be cheering and celebration right there in jail for all of those on my list. In fact it would seem to be too good to be true. But if it was true what a great day it would be. In fact I have better news than being free in Hawaii for the rest of your life. I have the promise of news more wonderful than Hawaii forever. Real Paradise Forever!!!

The real Truth is that Jesus the Christ has arranged for those on His list to depart for a Paradise much better than Hawaii for you and your family for all eternity. It is true, and why we were born. To know Him, to love Him and to serve Him, so that after this life we can be with Him forever. EYE HAS NOT SEEN, EAR HAS NOT HEARD, nor has so much as dawned on man, WHAT GOD HAS PREPARED FOR THOSE WHO LOVE HIM. (1Corinth 2-9) Wow how lucky and blessed you are to be chosen to be in prison suffering for Christ, knowing that he loves those who have a hard life here on earth. You must pray for those of us who have a good life and do not suffer like you do. You have a special relationship with Jesus; because he too, was treated badly, he too was arrested, thrown in jail and executed. He knows your feelings and situation.

Which believe it or not is the good news. You see in the beginning with Adam and Eve, we all rejected God because of our sinful nature and the help of the devil. This caused a family feud between God and Humans. Now we were not there but we inherited this feud or separation of God. We all are sinners and I assure you there are worse sinners out here who should be in prison. Pray for us sinners my brothers. We are all born with this original separation, that is why we are baptized to clean our soul of this original sin (separation) from God. Once baptized we become children of God and are on the road to Paradise, if we do his will. But when Adam sinned we lost the road to reconciliation and path to salvation. God's creation (humans) throughout history; and even now are a stiff-necked people. Remember Noah and the people of his time. Even the chosen Jews rejected Moses and the commandments many times. Man had no clue how to love God and be reconciled from this feud. So over 2000 years ago a Savior was sent, to do three things for us. He came to suffer and die for us on Good Friday, He came to show us how to love each other by volunteering to be nailed on the cross for our transgressions, and he came to end the feud, open the path to Heaven for all mankind. Good Friday is really good for us, it was horrible for Jesus the innocent lamb, but truly a great day in the history of mankind, because on that cross he made us **right** with the Father and insured salvation for those who believe in him. We should be **SO GRATEFUL TO JESUS FOR DYING ON THE CROSS FOR US**. Good Friday was the best thing that has ever happen in the history for mankind. And we, who know God, and love Jesus are so fortunate to be able to get on the path to being with Him forever in paradise. Remember the criminal on the cross next to Him. He was told today you will be with me in PARADISE. (Luke Ch 23) That criminal was so lucky to be arrested and crucified on the cross next to Christ. "Jesus, remember me when you come into your kingdom." ⁴³ He replied to him, "Amen, I say to you, today you will be with me in Paradise." (Luke 23vs42) At his death he went to Heaven to be with Jesus.

So where is my proof, the proof is Easter Sunday, when our beloved Christ rose from the dead. How do we know that; the guards said his apostles took him. Well many people saw Him die on the cross and many people saw Him alive for 40 days, after the resurrection they: talked, walked, and ate with him. That is our proof; plus because of the eye witnesses'; the story that has been passed on to us, now 2000 years later Billions of people with celebrate Easter Sunday as the memorial of the greatest day in the history of the world. **OUR GOD PROVED TO US THAT THERE IS LIFE AFTER DEATH**. This is the Good news and this is why we are Believers. So in you cell in your heart sing praises of great Joy; because our God has Risen from the dead.

Your God is so powerful he can get the whole world's attention with a microscopic virus, a germ so small can panic an entire world of people. We Christians are not panicked because we believe in a loving and all powerful God who literally has the "Whole world in His hands" and each of you in His heart. Love michael
