

Thank you Father Rudi for Your Service to Holy Spirit

From the start..... to the finish....

Thank you for your joy, your passion for life and dedication to our youth.

Thank you for guiding us to become servants to others and understanding the true meaning of stewardship.

You've been our mentor and our spiritual leader, our teacher.

You will be missed, always loved and forever in our prayers.

You've led us in our reverence for the Eucharist, our love of Mary.
