History of The Holy Spirit “Field of Dreams”

On a late September evening in 2002, the Holy Spirit Field of Dreams was born. A corner lot of an old cotton field was designated for a baseball park. A conglomeration of ideas, people and interests came together. Genuine hard-working people began “doing the Lord’s work” donating their time, efforts and talents.

The Field of Dreams is now a reality. Within three short years of conception, more than 40 Little/Pony, junior league and softball teams use the Field of Dreams on an annual basis. There is no charge for use of the field, only a promise to support it by helping maintain it and donating hole sponsor or field signs if possible.

Since the ballpark’s inception, a sprinkler system was installed along with fencing, a back stop, grass, sod, trees, foul ball poles and capping, dugouts, a bull pen, bleachers and canopies, field lights, a larger storage shed, a score board, press box and concessions. This past year we completed the landscaping, and we continue making improvements.

The Annual Holy Spirit Two-Person Scramble is the sole fund raiser for the field. The tournament is held the last Saturday in July, and is now into its 22ND year. The field is supported by the dedicated coaches, parents and volunteers who maintain the field. Importantly, this community ball park is made possible because of those who make a concerted effort to seeing worthy community projects such as this thrive.

The Holy Spirit Field of Dreams - “if you build it, they will come.” Special thanks to all those who still have a little youth left in them to fulfill the dreams of others! - Bud Grossman.
