Can You Help?

Please consider being trained to become a Ceremonial Minister to assist on the altar, a lector or help with the audio visual. Right now we are relying on a very small number of people to make sure all Masses run smoothly.

Contact the office with your name, number and the ministry you would like to join.

***The AV ministry DOES NOT require computer skills, just a willingness to learn how to turn on and off all the equipment and display the powerpoint.

A Gospel Reflection for this week:

In today's Gospel, we learn that the disciples of Jesus had been discussing among themselves who was the greatest. Jesus is about to turn their idea as well as our society's idea of "greatness" upside down. He embraces a child and tries to help the Twelve understand that to be great is to be focused on something other than themselves. Jesus teaches that true "greatness" lies in being a good steward of those who are not great: welcoming one who is not viewed as great by our society's standards, like the child, the innocent, the vulnerable, the suffering, those who are outside our comfortable circle of family, friends, companions and colleagues, those who need a welcome. Jesus redefines our notion of greatness. How do we define greatness? Is our notion of greatness consistent with the teachings of Jesus Christ?
